

Cristo Rey

Cristo Rey Kansas City is a faith-based college prep high school operating in midtown with the goal of improving graduation rates and college enrollment for students with economic need. While at Cristo Rey, students participate in a work program for local businesses once a week. In return, corporate sponsors sign a fee-for-service contract stating that money earned by students will go towards their costs of education at Cristo Rey Kansas City, giving the students the opportunity of "working to learn and learning to work." For more information, visit www.cristoreyk.org

Awards

The top three males and females in the following categories will receive awards:

Under 10	50-59
10-19	60-69
20-29	70-79
30-39	80+
40-49	

The top five male and female teachers at Shawnee Mission East will also receive awards.

5k Run/Jog/Walk

The Drum Run can be as competitive as you make it. **Want competition?** The Drum Run will include runners from all over the metro area. The event is also one of the few events high school runners can compete in right before the high school track season. **Never ran a 5K?** You can go as fast as you want, with plenty of others running at your pace. **Want to just walk with friends?** Sign up with a group and enjoy the day!

The Drum Run

This is the first year of the Drum Run. The Drum Run was started to help Cristo Rey form a sustaining drumline. A drumline can be costly, but the drums **can last for decades**, it's **easy to practice at home**, and you can play some awesome songs **without a full marching band**. The Shawnee Mission East Drumline has been blessed with great drums, great teaching, and great fans, so we think it's time to let another school experience that as well. With this donation, we know the Cristo Rey drumline will get to know the great feeling of embracing challenges as a group and of putting on a great show every single time.

Cost

Early Cost: \$20

Before 2/8/10

Regular Cost: \$25

After 2/8/10

Race Day: \$30

Race Day

The race will start on the Shawnee Mission East track at 7500 Mission Road. See directions on back. Racers should plan to show up around 7:30-8 in order to check in and warm up. The timing chips and t-shirts will be handed out before the race. Be prepared with a jacket if the weather changes. Awards can be picked up at Garry Gribble's Running Sports at Ward Parkway shopping center if you need to leave early. Results will be posted on:
www.mararunning.org.
