

Job Opportunity

The US Census Bureau will be hiring seasonal employees starting April 1, 2010. Redemptorist Center will be a testing site in February. To qualify for the test you must be 18 years of age or older by 4/1/2010. The positions that are available are census trackers (starting pay \$10.00 an hour) and data entry (starting pay 12.00-14.00 an hour).

In order to qualify you must take a test which Redemptorist Center will give. For the test you must bring two pieces of identification (Missouri picture id, an original birth certificate or passport). The Missouri ID must be current.

The Center has practice tests for anyone who would like to pick them up.

The test will be given Feb. 2, 2010. Contact Redemptorist for times.
